MADE FROM

PLANTS

NOT PLASTIC

CUSTOM PRINT

Your brand, our designers.
as little as 5000 cups can be ready in 3 - 4 weeks

PLANT-BASED MATERIALS

PAPER & CARD

Sustainably sourced, using recycled content where possible

PLA & CPLA

Plant based alternatives to plastic. Clear PLA for cold use, CPLA for hot.

BAGASSE

Recycled sugarcane. Sturdy & practical, from -15° to 120°C

PALM LEAF

Fallen, pressed Areca leaves.
Unique eco style.

INKS

Water or vegetable based, with a great print finish.

NATUREFLEX

Clear film made from wood pulp. Anti-grease, heat sealable.

TRIED, TESTED & TRUSTED

Plant-based disposables can break down in under 12 weeks in commercial composting.

Vegware products hold compostability certification directly for all core ranges and they work actively with the waste sector to create composting solutions.
